Gen. 31.]

1895

From
The Deputy Commissioner
Kolar district

To
The Secretary to the Government
~~Dewan~~ of Mysore.

Dated 17th August 1895.
Despatched 20th do.
Received
General No. 841
No. 165
Enclosure No. 1

Submitting a sketch showing the building sites situated within half a mile of the boundaries of Railway station at Bowringpet.

...vacant sites in question are reserved in order nearly all sites by sites already disposed of. ~~The~~ part of the old town with a large no of buildings intervenes between them & the Railway premises. They are not therefore likely to be required for Railway purposes. Resumption & sell (Grant) them for building purposes may accordingly be granted.

Put up

Kolar Deputy Commissioner's
Dated the 17th August 189

To

The Revenue Secretary to the
Government of Mysore.

Sir,

With reference to para 1 of Gove
-ment Proceedings No: (63) 16819-26 / R.F. 215-92 dated
6th April 1895 and in continuation of
office Docket No: 5041/1543 dated the 21st Jun
1895 regarding unoccupied Lands lyin
within half a mile of the boundaries
Railway Stations, I have the honor
submit herewith a Sketch showing
building sites situated within the sa
distance from the Railway Station a
Bowringpet.

2. The sites colored blue have alre
been sold or otherwise disposed of f
building purposes while those not col
have yet to be disposed of.

3. It is not likely that there

will have to be required by the Railway Department as they are found a number of existing buildings situated partly in the old area and the extension area and cannot be removed without necessitating a removal of the latter.

4. I request therefore that the water in question may be exempted from the operation of the prohibitory order contained in Government Proceedings No. 226/-53 R. 244 dated 4th August 1904.

5. A list of current rates within half a mile from the Railway station at Gwildhall will be submitted on receipt of the necessary information called for from the Builder on the subject.

I have the honour to be,

Sir,

Your most obedient servant,

Deputy Commissioner,
Kolar District.

Read - Correspondence ending with letter 20: 841 Dated 14th August 1895 from the Highland Railway Co. submitting a sketch and soliciting sanction to the grant of certain building sites situated within half-a-mile of the boundaries of the Railway Station at Bowmanhet.

Order - A reference to the sketch submitted shows that the vacant sites in question are reserved in nearly all cases by the Sites already disposed of, and that a portion of the old Toll town with a large number

buildings or it
between & them &
the Railway pre-
mises. They are
not therefore likely
to be required for
Railway purposes.
Under such Cir-
cumstances Govt
are pleased to
Exempt them from
from the operation
of the rule laid
down in Govt. No:
No. 2061-20 &
R. 2464
4th August 1894.
The vacant sites
to the north of the
sites already disposed
of may be only
sold for building
purposes.
